

CASE STUDY

CUSTOM SCALE OPERATOR OFFICE

FOR AN INDUSTRIAL RECYCLING FACILITY

8x24 CUSTOM SKID-MOUNTED OFFICE INSTALLED ADJACENT TO TRUCK SCALE

Relocatable, permanent-quality modular office built for efficiency, compliance, and long-term flexibility.

CHALLENGE

- Limited Space for Permanent Construction
- Temporary Rental Office Lacked Flexibility
- Inefficient Workflow for Scale Operations

SOLUTION

- Custom 8x24 Skid-Mounted Office
- Designed for Operator Workflow & Accessibility
- Built for Long-term Use with Relocatable Design

KEY FEATURES

- Sliding service window
- ADA-compliant restroom
- Fully integrated utilities
- Skid-mounted design for relocation
- Onsite gutters for water management
- Custom-painted to match branding

RESULTS

Improved Operator Efficiency

Enhanced Comfort and Usability

Permanent Quality Solution with Flexibility to Relocate

WHY SATELLITE SHELTERS

Satellite Shelters delivers customized modular building solutions that help organizations solve space challenges quickly with high-quality, flexible structures designed to perform.
